Kappa Sigs Pedal To High Spot In DU Bike Race; SAE Second

Kappa Sigma rode to first place in the DU annual Bike Race Saturday. Dean Marr rode the last lap for the winners who completed 89 laps for a distance of 204.7 miles.

Second place went to SAE, 6 min. and 22 sec. behind the winning team and with an equal number of laps.

Phi Kappa Tau took third place with 87 laps. Sigma Chi was in fourth place.

The winner of the last lap speed race was Theta Chi for the second year. Bob Wilber was their rider with a time of 6 min. 44.7 sec.

Riders bucked a stiff breeze for the major part of the race. ATO was held back by several pit stops for repairs. Sig Ep broke a chain near the airport in one lap and the rider ran the bike in.

The track measured 2.5 miles. A two-way radio at the airport kept teams and spectators informed of the progress of the riders.

During the last lap race the radio preceded the riders in a convertible to give spectators a full account of the race.

Two men mount their bikes to begin another lap in Delta Upsilon's 12-hour Bike Race as judges and timers watch from the stand. Kappa Sigma won the event held Saturday.

Student Senators Attend Antioch NSA Conference

Members of Student Senate attended the National Student Association Conference at Antioch College, Yellow Springs, Saturday and Sunday, April 26 and 27.

Students from Bowling Green who attended the conference are Senate president Bob Taylor, Tom Treon, Delores Swayne, Elliott Short, Nancy Brown, Tom Eldred, Adele Kihlken and Denver Price.

The purpose of the N.S.A. is to help student governments of different schools discuss their problems together and to obtain student opinion on various national affairs.

Bowling Green does not belong to N.S.A. but is considering joining. More than 300 schools are members.

The Senate members attended the conference in order to discuss problems arising at Bowling Green with conference members, and to try to help other student governments.

Members who went to the conference attended sessions to discuss certain aspects of student government. In these plenary sessions, resolutions are made in regard to the topics discussed.

English Courses Revised For 201-202

Students registering for English 201 for next semester will find several changes in the course. It will now include writings of both British and American authors and is divided into units of poetry, drama, essay and novel.

The course will be a terminal or complete course in itself. English 202 will not be a continuation.

The first unit of study will be a poetry anthology and the second will consist of modern essays. Next will be modern short story, British and American drama and Somerset Maugham's "Of Human Bondage."

English 202 will be a study of English writers using the "Six Plays of Shakespeare" formerly used in 201. "Gulliver's Travels," "Great Expectations," and Conrad's "Lord Jim" will also be studied.

Sell U-A Prom Tickets; Girls Need Car Permits

Approximately 100 tickets for the U-A Prom will be on sale tomorrow and Thursday from 8 to 12 a.m. and 1 to 4 p.m. in the Well. Tickets are \$3.50 a couple.

Cars may be used from 8:30 p.m. to 2 a.m. both in and out of town, the night of the prom. Students planning to drive must obtain stickers for their cars by presenting a dance ticket in the office of the Dean of Students.

Girls must have letters from their parents to get car permits. They will also need out-of-town permits from the office of the Dean of Women.

Miss BG and two attendants will be presented at an intermission ceremony, Chuck Green, chairman of the U-A Prom, announced. Bandleader Elliot Lawrence selected the three girls from more than 30 pictures submitted by fraternities, sororities, and social groups.

Fraternity and sorority pledge classes will help decorate the Men's Gym for the dance and clean up afterwards. Decorations following the "Circus Capers" theme were purchased ready-made.

A photographer will be available to take pictures of couples if they wish, Green announced.

Elliot Lawrence signed a \$1,500 contract for the dance in March. He appeared at Bowling Green three years ago and has played at more than 300 colleges.

Dean McFall Elected Prexy

Kenneth H. McFall, dean of the College of Liberal Arts, and three other faculty members were elected to offices at conventions last week in Columbus.

Dean McFall has been elected president of the North Central Association of Academic Deans, an association which has members in 17 states, and vice-president of the Association of Ohio College Presidents and Deans.

Dean Ralph G. Harshman was re-elected treasurer of the Ohio College Association. Prof. Samuel Cooper, chairman of the department of physical education, was elected president of the physical education section of OCA.

At a recent meeting of the Ohio Association of Speech and Hearing, Miss Prudence Brown, speech department, was elected second vice-president, and Miss Alice Greiner, secretary-treasurer.

Prize Photos Exhibited

An exhibit of prize winning photographs taken by student photographers from colleges and universities all over the country is now being shown in 315A.

Steve Roper Writer Speaks To NODJA

LOIS CORBEIL

John Allen Saunders, continuity writer for the comic strips Steve Roper and Mary Worth, will be the main speaker at the Northwestern Ohio District Journalism Association convention here May 1, said Robert A. Steffes, convention chairman. Other speakers will include Miss Lois M. Corbeil of A. B. Dick Co., Chicago, Ill., and Prof. C. Wesley Brewster of the School of Journalism at Syracuse University.

The journalism faculty has received 72 newspapers to judge. Prizes will be given for individual writing contests. Loving cups will be given for the best printed, mimeographed, best mimeographed from standpoint of reproduction, and newspaper other than printed or mimeographed.

Luncheons at noon will be held for the estimated group of 1,000 students and advisers.

J. D. Russell Gives Speech At Inaugural

Dr. John Dale Russell, present chancellor and executive secretary of the Board of Educational Finance of the State of New Mexico, will be the main speaker at the inauguration of Pres. Ralph W. McDonald Saturday, May 10 at 3 p.m. in the Main Aud.

His speech will be "The Role of the University in the Third Quarter of the Twentieth Century." Dr. Russell was formerly associated with Dr. McDonald in the Department of Higher Education in Washington.

The inauguration will begin at 3 p.m. in the Main Aud. when Dr. Russell will deliver the main address. Immediately afterward, a reception will be given in the Amphitheater behind the Falcons Nest.

Registration for official delegates will be at the Gate Theater from 8 to 10 p.m. Delegates will attend a luncheon at the Commons at noon.

Before the official ceremony, the academic procession will form at the Gate Theater and march down the Mall to the Administration Bldg.

More than 250 delegates have been invited to the event which will officially inaugurate Dr. McDonald, who has served as president of the University since September.

A limited number of students will be able to attend the ceremony in the Main Aud., and will be seated in places not reserved for official delegates, official representatives of the student body, faculty representatives and their wives, and representatives of the University employees.

Ogden Nash Tickets Sold

Ogden Nash, famous writer of light verse, will appear in "An Evening With Ogden Nash" in the Main Aud. Sunday at 8:15 p.m.

Tickets for the performance may be purchased at the booth in front of the Main Aud. from 10 to 11 a.m. and 1 to 4 p.m. tomorrow through Friday. Students will be admitted for 5 cents and their ac card or for 60 cents for a reserved seat.

Mr. Nash is the former managing editor of the New Yorker magazine and is a frequent contributor to the Saturday Evening Post. He has written ten books of poetry, containing 8634 poems.

Interfraternity, Sorority Sings Included In Week's Schedule

Bowling Green Greeks will dance to the music of Billy May at the Greek Week dance slated for Friday, May 16. Considered one of the top-flight dance organizations of the year, the Billy May band has signed a \$1250 contract to play for the affair which will climax Greek Week festivities, according to Nick Mileti and Mary Lou Barnum, co-chairmen of the band committee.

BILLY MAY

The contract, which was received from May on March 26, calls for a 15-piece band and one vocalist to perform from 9 p.m. to 1 a.m. in the Men's Gym.

Johnnie Long was the first choice of the band committee, and a preliminary contract had been signed when the committee was notified that Long had decided to stay on his present location instead of going on tour. Other possibilities considered by the committee before May was finally signed were Claude Thornhill, Art Mooney, and Buddy Rich.

May's band, noted already for its complete departure from today's ideas of popular music, is only a few months old. But the outfit has fast become popular because of its unique arrangements, fresh approach, and employment of musical "gimmicks."

Bandleader May is no newcomer to the world of popular music, however. He has years of arranging behind him for such famous names as Bob Crosby, John Scott Trotter, Woody Herman, Charlie Barnet, and Glenn Miller.

A number of former Glenn Miller sidemen will be in Billy May's dance band, the first he's ever had of his own, including Jimmy Priddy, trombone; Johnny Best, trumpet; and Willie Schwartz, clarinet.

Review Committee Names Students For Elections Group

Five students have been accepted as members of the Elections Committee for the next school year, according to an announcement by Nick Mileti, chairman of the Student Senate reviewing committee, after Sunday night's meeting.

Darl Ault, junior; Dave Dawson, sophomore; and Sue Digby, Barbara MacLaren, and Sam Martin, all freshmen, were appointed to the Committee on the basis of their submitted applications and interviews.

The elections committee has definitely decided to hold elections for Student Senate offices on Tuesday, May 13. Booths will be located in the Well and in the Nest. They will be open from 8 a.m. to 4 p.m.

Nominations for these offices will be held Wednesday, May 7 at 7 p.m., in the Well. Petitions for the elections are due Friday, May 9 at 5 p.m. at the Gamma Phi Beta house.

At the last elections committee meeting, the committee voted to limit the number of signatures on a petition to 40 rather than 75 as has been done in the past.

Monday evening, May 12, a Senate rally will be held in the Stadium at nine. In case of inclement weather the rally will be held in the auditorium.

Campus Will Vote Tomorrow To Fill May Court Slate

Preliminary voting for the May Court election will be held tomorrow in the Well, according to Katherine O'Connor, elections committee chairman.

Polls will be open from 9 a.m. to 4 p.m. and will remain open during the noon hour.

Pictures of the candidates will be displayed in the Well. Ballots for the May Court election will be of different colors for the various classes.

All organized groups will enter four candidates and students will vote for their choice. Final elections for the May Court will be held on Thursday. The four candidates for each position receiving the highest number of votes in the preliminary election will be entered in the final election.

Diploma Fee Due

Candidates for graduation on May 30 must pay the diploma fee of \$5 at the Business Office between May 15 and 27.

Sigs Schedule Mystery Event On Derby Day

At the same time horses are racing in the Kentucky Derby, humans will be running in the fifth annual Sigma Chi Derby Day, Saturday afternoon from 1:15 to 3:30 p.m. in the Lab School Field.

A mystery event will be one of the feature attractions of the day. Chairman Phil Broughton would not release any information on it, but in the past such races as a glorified obstacle race, a greased pig and rooster chase and a chocolate pie eating contest have been the big mysteries.

Alpha Xi Delta won last year's trophy in the women's division with Delta Gamma and Gamma Phi Beta in second and third places respectively. In the men's division Phi Delta Theta won over Alpha Tau Omega by one point, with Alpha Sigma Phi taking third place.

Housemothers of the winning sorority and fraternity of last year, Mrs. Melva Webb for Alpha Xi Delta and Mrs. Kathryn Ingalls for Phi Delta Theta, along with the Sigma Chi housemother, Mrs. D. J. Baker, will serve as judges for the events.

A special award is presented to the group that shows the most pep in supporting its contestants. Chi Omega sorority has won this trophy for the two years it has been awarded.

This year's Derby will have eight events instead of ten, as in the past. The women will participate in only seven since the Tug-O-War is for men only.

The list of events is as follows: 1. Three-Legged Race. 2. Shoe Scramble. 3. Pickle Roll. 4. Pig-Chicken Scramble. 5. Sack Race. 6. Egg Toss. 7. Tug-O-War (men only). 8. Mystery Event.

KAMPUS KOPP "SUNNY HONEY"

In Our Opinion

Assessments And Attendance

With the announcement that Billy May will play for the Greek Week dance, we find that within the space of one month, Russ Carlyle, Elliot Lawrence, and May will play on the same campus—ours! When a university of 3,200 enrollment can support three top-quality bands in such a short period, the campus social life must be very healthy. Either that or the means of securing money for these bands is very efficient.

The ROTC units will probably always have a good band, for they have the desire, ability, and financial resources to make the Military Ball a highlight in the social calendar. Competition from other big dances or big bands won't bother them. But this competition element is showing itself a tough problem in relations between the University-Anniversary Prom and the Greek Week dance.

With the two dances so close together, and a top band playing for each affair, Greeks can hardly be expected to pay \$3.50 to go to the U-A Prom when they have already paid a \$1 assessment to pay for the Greek Week band. That strong power of assessment possessed by Inter-Fraternity Council gives the Greek dance a tremendous advantage

over the U-A Prom, which must depend on ticket sales to pay expenses.

If the Greeks get such a good deal in the Greek Week dance that they can see no reason for supporting the U-A Prom, then the Prom will just become another small-band dance. Independents cannot support the Prom alone. But the U-A Prom is the independents' only chance at a big-name dance—it is the all-University dance, and not just the all-Greek ball. Should the Greek dance be allowed to push the U-A Prom into the background? It could very easily, for Prom ticket sales have been comparatively slow so far, and the Greeks haven't even known the name of the band that will play for their dance.

Independents should throw their full support behind the U-A Prom immediately if they want to keep big-name bands coming to it. But even that won't entirely solve the problem. We don't know just where the answer does lay. Perhaps scheduling further apart would help. We are sure, however, that IFC and the Greeks should make judicious use of that mighty weapon of assessment. Though not intended, immeasurable damage to an all-University affair could be done by the Greeks.

Prof Lectures On Chemistry

Solar energy and its utilization, not atomic energy, is considered the chief advance of science during this generation, according to a scientist who will speak in Bowling Green tomorrow.

Professor William MacNevin of the chemistry department at Ohio State university, will lecture on solar energy tomorrow at 4 p.m. in the chemistry lecture room. Both students and townspeople may attend this lecture.

Professor MacNevin has been working on solar energy under the auspices of the Ohio academy of sciences. At a recent meeting in New York, he commented, "In 75 years the principal contribution of present decades will be considered to be the direct utilization of solar energy—rather than nuclear energy from fission and fission reactions on earth."

Veterans expecting to enter graduate school should apply for a supplement certificate approximately a month before they graduate.

Veterans who plan to take a teaching position in September must be in summer school this summer if they plan on continuing their education under the benefits of the G. I. Bill.

Dinosaur, Mammoths In 'Skin Of Our Teeth'

A dinosaur, a mammoth, and a room with walls three feet high are some of the unusual features of the forthcoming production, "Skin of Our Teeth," which is being presented in the Main Auditorium May 7, 8, and 9.

"The action is different, so that the scenery is different of necessity," said John Hepler, technical director.

A living room of a suburban home and the boardwalk at Atlantic City will be the two sets used.

The walls of the room will be cut and the doors and windows will extend above them.

Flat, painted scenery plus theatrical tricks will comprise the boardwalk setting. "It is not strictly realistic. Braces will be visible and there will be no attempt to conceal," Mr. Hepler said.

A number of different properties covering different periods will be used, with emphasis on lighting and sound.

"I consider this a large show," said Mr. Hepler in regard to the large cast, many costumes, and large quantity of properties being used. Staging will not follow strictly that of the Broadway production, but the same effects will be achieved through different methods, according to Mr. Hepler.

Stage manager for the production is Hal McGrady. Jud Ellerton is stage carpenter.

The crews are: stage—Janis Frye, Don Fenn and Nancy Copeland; properties—Dwight Rangelier, John Howe, Peg Stevens, Mary Lou Kieffer, Joan Coggins and Helen Protapappas; costumes—Carolyn Knepper, Carol Laing, Vivien Crawford, and Alice Mey-

rick; make-up—Joan Sherman, Sue Kinsey, Sandra Steed, and Jo Huggins; lights—Dave Fay, Fran Sloat, and Margaret Chandler.

Howard Hahn has announced that the 1952 Key will be out on any of four dates. The tentative dates now stand at May 6, 7, 13, or 14.

Diamondmen Trounce Ohio State JVs

Bowling Green's baseball team brought in three. A hit batsman takes on Wayne University here this afternoon after blasting 26 hits while trouncing Ohio State's JV squad twice over the week end.

Bob Lybarger outlasted three State hurlers in the second contest, won by the Falcons 18-7, to receive credit for his second win of the young season. He has lost one. Lefty Dick Casper threw five innings while giving up only one hit to gain his first victory of the year in Friday's 16-7 slugfest. Right hander Bill Stough worked the remaining four frames.

The State JVs, although decidedly short on pitching, fielded a line-up of sluggers far more impressive than any the Falcons have faced so far this year.

In fact, until the fourth inning of the second tilt, it looked like the score of the previous day might be reversed. State led 6-0 and its hitters were pounding the offerings of Lybarger all over the park, and the BG infield offered little support. But in the bottom half of that inning the roof fell in completely on the Ohio pitcher.

Walks to catcher Al Ikeda and center fielder Jack Carnahan and a pop single to right field by first baseman Phil Sekerchak loaded the bases with no outs. Third baseman Glen Matter then pulled a single to right scoring two runs to break the shutout.

Those two hits were the only ones of the inning, but the rally kept right on going. Three errors and five more walks in a row forced seven runs across the plate before the third State pitcher of the frame was able to retire the side.

Lybarger pitched good ball for the last five innings, allowing only a single run, while the Falcon batters fattened their averages. Another big rally in the eighth brought in six more scores. A double by shortstop Jerry Omori, walks to Ikeda and Carnahan, and a base-clearing triple by Sekerchak

and Matter's second hit brought in the rest.

Second game totals were: BG-18 runs, 9 hits, and 8 errors. OS Jayvees-7 runs, 11 hits, and 5 errors.

Sekerchak with a single, double and a triple was the top sticker for the Falcons.

Friday's game was Bowling Green's from the start as the batsmen jumped to a 10-0 lead in the first two innings. Omori's lead-off double and Ikeda's single produced the first before the fans had time to settle in their seats. A triple by Sekerchak, Matter's walk, and singles by second baseman Hughie Dominic and right fielder Don Drumm brought home four more.

The second was more of the same as Omori was hit by the pitcher, Ikeda was safe on an error, and Carnahan singled to bring home two. Sekerchak's second hit, a single, sent Carnahan to third, and both runners scored on Matter's hit to center field.

Dominick kept things going by walking. Both runners advanced on a long fly by Drumm and scored on Omori's single.

Casper's steady work on the mound held State in check for five frames and he left the game leading 13-2. Reliever Stough had some trouble in the sixth as a home run by JV shortstop Mylander after a pair of walks produced three runs. The Ohio school was able to garner only two more in the last three innings while Bowling Green picked up three more to make it no contest.

Totals for the first game were BG-16 runs, 17 hits, and 6 errors. Ohio State JVs-7 runs, 6 hits, and 4 errors.

The leading hitter for the Falcons was Phil Sekerchak with a triple and three singles in five official trips to the plate.

Netmen Drop Mich. Normal

Coach M. Harold Milke's tennis team turned in its first win of the season Saturday, edging Michigan Normal 4-3. The Falcons meet powerful Toledo U's netmen tomorrow on the University courts at 3 p.m.

Bowling Green started off poorly Saturday, dropping its first two matches as Michigan Normal's Collins defeated BG's John Burbridge 6-0, 6-1 and Best of Michigan topped Al Marwede 6-1, 6-1.

Manny Koginos, Sullivan, and Gordon Asch turned in wins in order to take over the lead for Bowling Green. Koginos bested Menzi of Michigan Normal 6-2, 6-0; Sullivan won over Bleekmen 6-4, 6-3; and Asch took 6-4, 7-5 sets from MN's Hagland.

Michigan Normal tied it up again by taking the first of the doubles matches. The duet of Best and Collins won over Bowling Green's Burbridge and Marwede 6-3, 6-0.

In the final doubles match of the day Koginos and Sullivan combined to stop Bleekman and Menzi 6-1, 6-3 to insure the victory.

SAE Takes Top Spot In Swimming Meet

Sigma Alpha Epsilon swept the fraternity swim meet held Thursday and Friday in the Natatorium, copping four firsts to finish 10 points ahead of second-place Delta Tau Delta.

SAE totalled 48 points to 38 for Delts, 19 for third place winner Phi Kappa Psi, 14 for Sigma Chi, and 7 for Pi Kappa Alpha.

Don Coon took two of the four firsts garnered by SAE; he swam the 50-yard crawl in 27.2 and the 100-yard free style in 1:4.5. Bill Cunningham and Carl Quist won the others. Cunningham swam the 200-yard crawl in 2:31.6 and Quist the 50-yard breast stroke in 33.7.

In winning the runner-up spot the Delts captured two first places,

the 50-yard back stroke and diving, as well as the 200-yard freestyle relay. Art Kurtze won the 50-yard event, finishing with the time of 35.2, and Ron Lauber took the diving with a total of 111.7 points.

Golfers Top Mich. Normal

The Bowling Green golfers triumphed over Michigan Normal Saturday by a score of 17-1 after bowing to Wayne 11½-6½ the day before.

Dave Slough, who was low man in both matches shot a 72 against Michigan and a 77 against Wayne. Bob Combs shot a score of 80 against Michigan and tied with Frank Craft against Wayne with the score of 88. Jim Dysinger totaled 77 here against Michigan and 87 against Wayne.

Slough and Dysinger combined to shoot the best ball against Wayne with the score of 71 each.

The match with Wayne was played at the Redford Country Club in Detroit.

Bowling Green will play Ohio University and Toledo U. here on May 3.

Score Retraction

The softball game between Phi Delta Theta and Sigma Nu on April 21, was won by the Sigma Nus. It was stated in last Friday's issue that the game went to the Phi Delts 11-9 but that was an error.

The game was called at the end of six and one half innings with the Phi Delts leading 11-9 but at the end of the last complete inning (fifth), Sigma Nu was leading 9-7. According to the softball rules, if a game is called at the half-inning, the score reverts back to the previous complete inning played.

Tennis Championship To Be Here In May

The Ohio State Women's Singles Tennis Championship will be held at Bowling Green State University May 2, 3, 4. Colleges from all over Ohio will participate. Matches will begin on Friday and will be held on the tennis courts behind the Stadium Club.

Schardt And Schnider Are Ping Pong Champs

Beverly Schardt and Mary Schnider captured the mixed doubles in table tennis last week. Runner-ups in the college sponsored event were Joyce Baron and Joe Appel.

In class and on the golf course, too,
It's Lucky Strike for me—
Their flavor's better than the rest
And suits me to a tee!

Be Happy-Go Lucky!

In a cigarette, taste
makes the difference—
and Luckies taste better!

The difference between "just smoking" and really enjoying your smoke is the taste of a cigarette. You can taste the difference in the smoother, mellower, more enjoyable taste of a Lucky . . . for two important reasons. First, L.S./M.F.T.—Lucky Strike means fine tobacco . . . fine, mild tobacco that tastes better. Second, Luckies are made to taste better . . . proved best-made of all five principal brands. So reach for a Lucky. Enjoy the cigarette that tastes better! Be Happy—Go Lucky! Buy a carton today!

Exams are coming round once more,
And cramming is the style—
But just the taste of Lucky Strike
Will guarantee a smile!

FRATERNALLY YOURS

By Shirley Good and Pat Osborn

Nero was at Bowling Green early Saturday morning—very early, for he was one of those attending the annual Phi Kappa Psi Dawn Dance. He played a uke instead of a fiddle, however, and nothing burned except the electric lights in the Lab School Gym for the 4 to 6 a.m. dance.

The Queen of Spades and Jack of Diamonds, alias Pat Sims and Ray Weissbrod, won the prize for best costumes at the Mardi Gras affair.

Music was by the Dial Tones. A breakfast was held at the house following the dance. Don Bartrip was chairman.

Representatives of Alpha Phi and Delta Zeta attended their respective state days at Denison University and Cleveland.

New Delta Zeta pledges are Carlee Snyder and Shirley Levering.

Phi Mu pledges entertained other pledge class representatives at a TV party Friday night, and Alpha Chi Omega pledges had a picnic for fraternity pledge representatives.

Dr. and Mrs. W. Maurice Nielsen were dinner guests of Phi Mu Monday.

New Sigma Nu officers: Donald Miller, president; Robert Troknya, vice-president; Rudy Barto, treasurer; Warren Hall, assistant treasurer; Tom Dunford, recorder; Andy Tolus, chaplain; Peter Ray, reporter; Paul Armitage, pledge master; Clyde LaMee, sentinel; Donald Seidel, historian; and Bert Genger, parliamentarian.

Phi Kappa Tau pledges gave a scavenger hunt for Chi Omega pledges Friday.

Exchange dinners: Alpha Phi and Sigma Alpha Epsilon; Alpha Delta Pi and Kappa Sigma; Delta Tau Delta and Delta Gamma; Alpha Gamma Delta and Sigma Chi.

April 26 was Phi Kappa Tau Alumni Day. The group had a buffet luncheon, a banquet, and a dance in the Rec Hall for the visiting alums.

Delta Tau Delta pledges had a picnic and softball party for the Delta Gamma pledges.

Gamma Phi Beta pledges had a
